

# PTS PORTABLE BASKET

## DESIGNED TO MAXIMIZE STORAGE

The **PTS Portable Basket** is the perfect solution for organizing tourniquet cuffs, hoses and accessories. Featuring a tool-free adjustable mounting clamp to secure the basket in place, and make attachment and removal easy. The powder coated steel construction is scratch-resistant and sturdy for long-lasting use.

The **PTS Portable Basket's** compact and light weight design is optimized for transport, and can be mounted on poles up to 1.5" diameter. Compatible with the **PTS Roll Stand and Basket**, can be used as an additional basket helping maximize vertical storage space with easy access.
