

PTSii PORTABLE KIT

TWIN

Personalized Tourniquet System

The **PTSii Portable Tourniquet Kit - Twin** is an all-in-one solution optimized for secure transport and storage. Featuring Delfi's **PTSii Personalized Tourniquet System** in a twin configuration with fully independent channels, and **Easi-Fit** reusable tourniquet cuffs in four sizes, uniquely designed to make cuff application and removal easy, and consistent.

The included **PTS Portable Basket** with IV pole-compatible mounting bracket stores the **Easi-Fit** cuffs, keeps hoses tidy, and makes access easy.

A light and rugged **PTS Transport Case**, featuring a Pelican™ Air case with custom foam insert, provides the ultimate protection and transport solution for medics on the move!

FEATURES

- Compact design
- All-in-One solution
- Independent instruments
- Quick cuff application
- 11-40 in limb circumference cuff coverage
- Secure transport and storage
