

PTSii PORTABLE KIT

SINGLE

Personalized Tourniquet System

The **PTSii Portable Tourniquet Kit - Single** is an all-in-one light transport solution weighing less than 10lbs! Featuring Delfi's **PTSii Personalized Tourniquet System** in a single channel configuration, and **Easi-Fit** reusable tourniquet cuffs in four sizes, uniquely designed to make cuff application and removal easy, and consistent.

The featured **PTS Transport Bag** allows for easy access and organized storage of all components, for quick set up. A removable carrying strap, padded instrument case and cuff pouch for added protection complete the perfect compact solution for clinicians on the go!

FEATURES

- Compact design
- All-in-One solution
- Single channel
- Quick cuff application
- 11-40 in limb circumference cuff coverage
- Light transport
